- Increase in Capital of BEH Finance and the Proposed Subscription** : Pursuant to the Capital Increase Agreement, the registered capital of the Target Company will be increased from RMB3 billion to RMB5 billion, which comprises
- (i) Portion 1 of 61,224,489.80 units, which are offered to be subscribed by the Existing Shareholders of BEH Finance in proportion to their respective shareholdings in BEH Finance at the subscription price of RMB1 per unit BEH Finance Registered Capital, being the nominal value of the BEH Finance Registered Capital, and
 - (ii) Portion 2 of 1,938,775,510.20 units, which are offered to be subscribed by the Company and Jingneng Power at a subscription price of RMB1.27 per unit BEH Finance Registered Capital.

Upon completion of the Proposed Subscription, BEH, the Company and Jingneng Power will hold 60%, 20% and 20% of the equity interest in BEH Finance, respectively.

BEH has waived its pre-emptive rights to subscribe for Portion 2 of the increased registered capital of BEH Finance.

- Consideration** : In relation to Portion 1 of the increased registered capital of BEH Finance, BEH and the Company shall contribute RMB60,000,000 and RMB1,224,489.8, respectively.

In relation to Portion 2 of the increased registered capital of BEH Finance, the Company and Jingneng Power shall contribute RMB1,192,244,897.95 and RMB1,270,000,000.00 respectively, of which, a total of RMB1,938,775,510.20 will be credited as registered capital of BEH Finance and a total of RMB523,469,387.75 will be credited as capital reserve of BEH Finance, respectively.

- Basis of Consideration** : (i) In relation to Portion 1 of the increased registered capital of BEH Finance, the subscription price of RMB1 per unit BEH Finance Registered Capital was determined after arm's length discussion between the Existing Shareholders of BEH Finance and Jingneng Power, taking into consideration, among others, the pre-emptive rights the Existing Shareholders of BEH Finance have under the PRC laws and the resources and capital invested by the Existing Shareholders of BEH Finance.

- (ii) In relation to Portion 2 of the increased registered capital of BEH Finance, the subscription price of RMB1.27 per unit BEH Finance Registered Capital was determined after arm's length negotiation between the parties with reference to the appraised net assets value of BEH Finance as stated in the valuation report prepared by CUAA, which is subject to approval by Beijing SASAC, and taking into account the dilutive effect as a result of the issue of BEH Finance Registered Capital pursuant to the Portion 1 of the increased registered capital of BEH Finance.

Accordingly, the final subscription price in relation to Portion 2 of the increased registered capital of BEH Finance will be determined in accordance with the following formula:

Subscription price of each unit BEH Finance Registered Capital in relation to Portion 2 of the increased registered capital of BEH Finance = (appraised net assets value of BEH Finance as approved by the Beijing SASAC + Portion 1 of the increased registered capital of BEH Finance)/(BEH Finance's existing registered capital + Portion 1 of the increased registered capital of BEH Finance).

For illustration purpose, based on the appraised net assets value of BEH Finance as stated in the valuation report prepared by CUAA, the subscription price of each unit BEH Finance Registered Capital in relation to Portion 2 of the increased registered capital of BEH Finance is RMB1.27 per unit BEH Finance Registered Capital.

Conditions precedent

- : The effectiveness of the Capital Increasing Agreement is conditional upon the fulfilment of the following conditions:
- (i) the internal corporate approvals having been obtained by all parties under the Capital Increase Agreement pursuant to relevant applicable laws and regulations;
 - (ii) the approval from Beijing SASAC for the appraised value of the assets involved in the proposed increase in registered capital of BEH Finance having been obtained; and

- (iii) the approval from the Beijing Branch of China Banking and Insurance Regulatory Commission in relation to the proposed increase in the registered capital of BEH Finance having been obtained.

Payment schedule : Subject to the fulfilment of the above-mentioned conditions, BEH, the Company and Jingneng Power shall pay their respective subscription monies within 10 Business Days after the Capital Increase Agreement takes effect.

Transitional Period : The Existing Shareholders of BEH Finance shall be entitled to all the undistributed profit of the Target Company on or before the Valuation Reference Date.

BEH, the Company and Jingneng Power shall be entitled to the profits, and shall be responsible for any loss, of the Target Company during the Transitional Period in proportion to their respective shareholding in the Target Company upon the completion of the Proposed Subscription. Notwithstanding the above, if the Target Company didn't receive all funds the shareholders shall contribute under the Capital Increase Agreement on or before 31 March 2019, the Existing Shareholders of BEH Finance shall still be entitled to the profits, and shall be responsible for any loss, of the Target Company from 1 September 2018 to 31 December 2018 (both days inclusive) in proportion to their respective shareholding in the Target Company before the Proposed Subscription.

2. PRINCIPAL ASSUMPTIONS OF THE VALUATION

The parties to the Capital Increase Agreement have engaged CUAA to perform the valuation in respect of the net assets of the Target Company.

As the valuation was prepared based on the income approach, which involves the use of the discounted cash flow, the valuation as set out in the valuation report prepared by CUAA is regarded as a profit forecast under Rule 14.61 of the Listing Rules.

The valuation was performed based on the following principal assumptions:

(i) General assumptions

- transaction assumption: all assets to be appraised are assumed to be already in the process of transaction, and the valuer appraise the value based on the trading conditions of the assets to be appraised in a simulated market. The transaction assumption is one of the most basic prerequisites that assets valuation can be carried out.

- open market assumption: it is assumed that for assets to be traded or intended to be traded in the market, the parties to an asset transaction shall have equal status, and also have opportunity and time to gain sufficient market information, so as to make rational judgment on functions, purpose and trading prices of assets. The open market assumption is based on the fact that assets can be publicly traded on the market.
- asset going-concern assumption: the valuation methods, parameters and basis shall be determined correspondingly based on the fact that the assets under valuation will continue to be used according to the current use and the mode, scale, frequency and environment, etc. or used on a change basis when appraising.

(ii) Special assumptions

- There is no significant change in the current macroeconomic and tax policies of PRC.
- There is no significant change in the socio-economic environment where the appraised enterprise is operated as well as the taxes, tax rates and other policies implemented.
- The scope of valuation shall be only limited to the valuation reports provided by BEH Finance without taking into account its contingent assets and contingent liabilities that may exist outside the list provided by the appraised entity.
- The future management team of the appraised enterprise will perform its duties satisfactorily and continue to maintain going concern of its existing business operation model.
- The appraised enterprise will continue to lease and use its current office premise in the future.
- The main business income of the appraised enterprise is mainly derived from the current business operations and investment income without taking into account the incremental business that the enterprise may have in the future.
- The valuation is only based on the current business strategies, operating capabilities and operating conditions as at the Valuation Reference Date without taking into account possible changes in the future due to the change in management team.
- There will be no significant change in the central bank exchange rate during the forecast period.
- The appraised entity shall withdraw the surplus reserve and general risk reserve in accordance with the relevant regulations, and distribute its remaining profits in full if the regulatory standards for capital adequacy ratio are satisfied.
- The business scale of the appraised entity is limited to the existing capital scale without taking into account the impact of future possible capital increase on its business scale development.

If any of the assumption above-mentioned changes, generally the valuation will be invalid.

The letter from the Board and the report from the auditor of the Company as required by Rule 14.62 of the Listing Rules with regards to the calculations of the discounted future cash flows used in the valuation will be published within fifteen (15) Business Days after the publication of this announcement pursuant to Rule 14.60A of the Listing Rules.

5. REASONS FOR AND BENEFITS OF THE PROPOSED SUBSCRIPTION AND THE EFFECT OF THE PROPOSED SUBSCRIPTION

Upon completion of the Proposed Subscription, the shareholding of the Company in BEH Finance will be increased from 2% to 20%, which allows the Company to benefit more from the business expansion and growth in net profits of BEH Finance. Accordingly, the investment in BEH Finance through the Proposed Subscription is expected to generate relatively high investment return for the Company.

The Proposed Subscription also represents a unique opportunity for the Company to invest in a company which engages in the provision of financial services. BEH Finance is a non-banking financial institution approved by the relevant PRC authorities to engage in the provision of various financing services, including taking deposit and providing loans, and is primarily providing financial services to companies within the group members of BEH. Through participating in the business operation of BEH Finance, the Company can have further understanding about the operation of a financial institution and gain more knowledge in relation to its capital management, which enables the Company to negotiate for better terms with commercial banks for capital required for its business development and better manage its own working capital.

In addition, since the incorporation of BEH Finance, the Company has engaged BEH Finance to provide various financial services, details of which were set out in the announcement issued by the
