PERSONAL INFORMATION COLLECTION STATEMENT

This statement describes the purposes for which the Personal Information of members of the Association is collected, how it is collected, and how it is used. The Association is committed to protecting the privacy of its members' personal information.

The Association collects personal information from members in order to provide services, conduct business, and comply with legal obligations. Personal information is collected through various means, including registration forms, correspondence, and online services.

Personal information is used for the following purposes:

- To provide services and support to members.
- To conduct business and manage the Association's affairs.
- To comply with legal obligations and regulatory requirements.
- To communicate with members and provide updates.
- To conduct research and improve services.

Members have the right to access, correct, or delete their personal information. Members can contact the Association at any time to exercise these rights.

By providing personal information, members consent to the collection, use, and disclosure of their information as described in this statement.
